

NATIONAL SUN YAT-SEN UNIVERSITY

College of Engineering Guidelines for Representative Appointment of President Election Committee and Election Committee

Issued by the 5th College General Meeting on June 15, 2007, School Year 95.

- I. The present guidelines are established in accordance with Articles 3 and 16 of the National Sun Yat-sen University's (hereafter referred to as "the University") "Regulations for President Election, Reelection, and Resignation."
- II. When the University establishes the President Election Committee based on "Regulations for President Election, Reelection, and Resignation," the College of Engineering (hereafter referred to as "the College") shall elect one committee member among the College's full-time faculty members (lecturers or above) by anonymous vote. The faculty member with the most votes shall represent the College in the committee. Faculty members with the second and third most votes are listed as alternate committee members.
- III. When establishing the President Reelection Committee based on the University's "Regulations for President Election, Reelection, and Resignation," the College shall elect one committee member among the College's full-time faculty members (lecturers or above) by anonymous vote. The faculty member with the most votes shall represent the College in the committee. Faculty members with the second and third most votes are listed as alternate committee members.
- IV. Matters relevant to votes for mutual elections are handled by the College's Election Committee.
- V. This set of guidelines shall be implemented following approvals of the College's general meetings. The same procedure shall be carried out when amendments are to be made.
